

Support Agreement

For Optimal Performance Of Your Broadcast Equipment

At WorldCast Systems, we strive to provide our customers with best-in-class support and maintenance services. To make sure you reap all the benefits of your broadcast investment, you can rely on the WorldCast Systems' Support Agreement program.

The range of services available and with the support of our team of experts, you will benefit from maximum uptime, better performance, and overall improve your Total Cost of Ownership!

Receive personalized assistance, at any moment

Seamless operation of your equipment

Maintain your equipment up-to-date

Partnering With You Along Your Entire Project

Support Plan

Every Support Agreement includes an annual technical support plan that covers an unlimited number of support incidents, diagnosis, troubleshooting, and that provides high priority response time.

Software Updates

As part of the Support Agreement, you benefit from the latest software updates which include bug fixes, minor improvements, but also significant new features.

Warranty Coverage

Every WorldCast Systems' product comes with a 3-year warranty. The Support Agreement extends the coverage for up to 10 years from the date of purchase.

Spare & Loans Unit

When a part is defective, you benefit from a free, immediate & fast delivery of critical spares to minimize downtime. Your spare is not available? Ask for a FREE unit during the repair of your equipment.

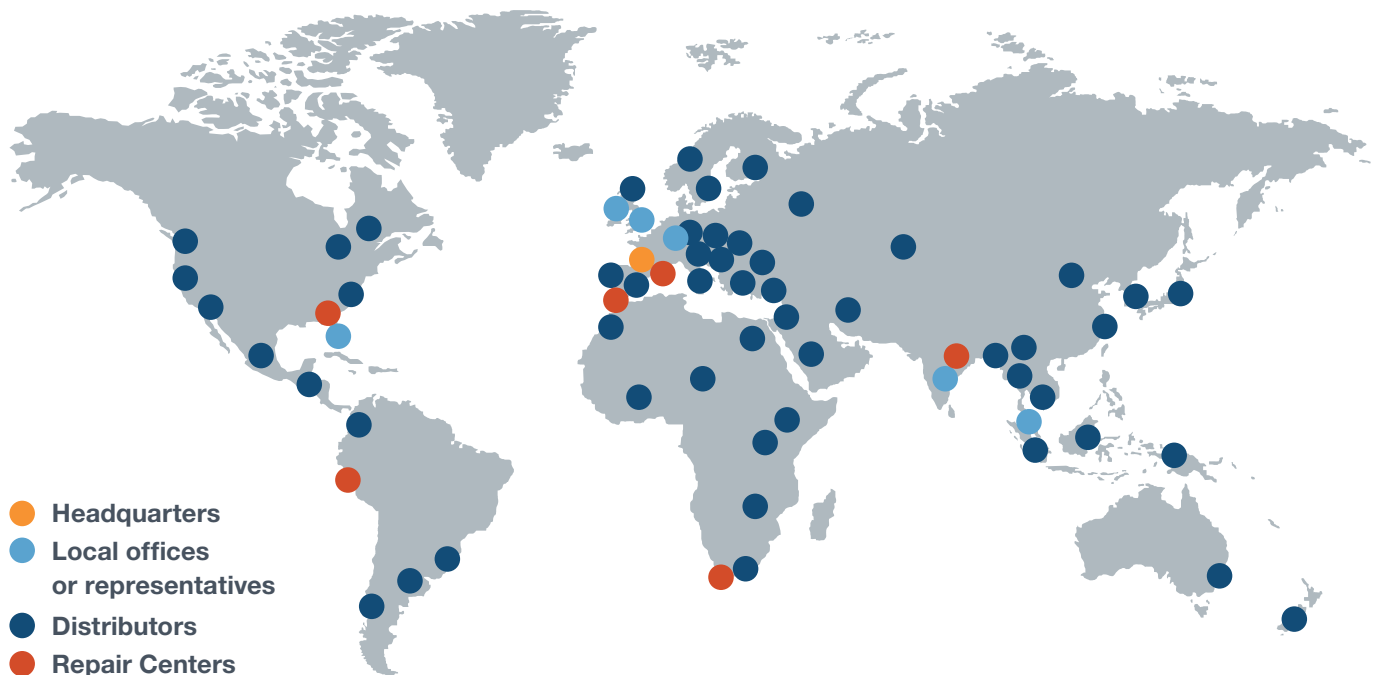

Scope of Support

WorldCast Systems offers a range of support contracts to ensure the optimal operation of your equipment. The support contract includes technical support with guaranteed response time, maintenance updates, repairs, spares, loans & warranty.
